**Please ensure jacks are available at venues for visiting teams.**

**Brief Rules**

No practice. Alternate jacks rule applies.

As soon as a jack becomes available the next game according to the draw shall commence. For the purpose of this rule, five minutes grace is allowed for the nominated player or a reserve to take his/her place on the green. After five minutes has elapsed from when the jack is made available, the player not at the start forfeits his/her game. There should be no waiting for the first four to come off. Time is essential if scores finish level and four of the eight players have to go back on and play up to 21 to decide the fixture.

Dress code only applies to the final of the cups.

Forward the result card within 7 days.
