Brookhouse Hold On To Clinch John Salmon Cup

By John Micklethwaite

After five of the scheduled eight games Overthorpe had pulled back the handicap to be just a single point behind Brookhouse and looked to be on course to win the trophy. However, Jeremy Wightman for Brookhouse turned the game around with an outstanding 21-14 success stretching the lead back to eight points. As the excitement mounted Barry Hawes (19-21) and Steve Scarlett (16-21) were able to hold off Overthorpe for a one point victory.

This fiercely competitive match concluded with both teams applauding one another from adjacent sides of the Alverthorpe green showing true sportsmanship.
